About Vaigai College

Vaigai College of Engineering (VCE) was established in 2012 under the Vaigai Educational Trust (VET), Madurai, with the vision of providing quality technical education and nurturing socially responsible global citizens. With a commitment to making quality technical education accessible to students from diverse backgrounds, the institution promotes inclusive and value-based education. Approved by the All India Council for Technical Education (AICTE), New Delhi, and affiliated with Anna University, Chennai, VCE is spread across a serene 15-acre campus that provides a conducive environment for learning. The campus is equipped with well-designed academic and administrative facilities, including lecture halls, tutorial and drawing halls, an auditorium, library, computer centre, laboratories and spacious playgrounds. It also houses hostel facilities, a canteen and a training and placement cell to support students' academic, professional and entrepreneurial development. Vaigai College strives to foster academic excellence, creativity, leadership, professional competence and social responsibility, inspiring young minds to become skilled, confident and responsible contributors to society.

DEPARTMENT-WISE ACTIVITIES

DEPARTMENT OF CIVIL ENGINEERING

Inauguration Ceremony of Civil Association – 21 July 2026

The ***Department of Civil Engineering***, in association with ***RACE – Royal Association of Civil Engineering***, organized the ***Inauguration Ceremony of RACE – Royal Association of Civil Engineering*** on ***21 July 2026*** at ML-2. ***Dr. R. Sivaranjani, Principal i/c***, graced the occasion as the Chief Guest, along with ***Mr. T. Vijaya Raghavan, Head of the Department of Civil Engineering***, and ***Mr. P. Muthuanand, Association Faculty In-charge***. The programme emphasized the importance of student participation in academic, technical, and leadership activities. A badge distribution ceremony was conducted to formally recognize the student office bearers of RACE, including the President, Vice President, Secretary, Treasurer, and Joint Treasurers. The programme marked the successful inauguration of the association and encouraged students to actively participate in future departmental and technical activities.

DEPARTMENT OF MECHANICAL ENGINEERING

Inaugural Function of Mechanical Engineers Student Association (MESA–2026) – 19 August 2026

The ***Department of Mechanical Engineering*** organized the ***Inaugural Function of the Mechanical Engineers Student Association (MESA–2026)*** on ***19 August 2026*** for Mechanical Engineering students and faculty members. ***Dr. R. Sivaranjani, Principal (i/c), Vaigai College of Engineering***, graced the occasion and addressed the gathering. The programme marked the beginning of the association's activities and encouraged students to participate actively in technical, academic, and co-curricular initiatives. The association provides a platform for students to enhance leadership, teamwork, communication, and professional skills. The programme was organized by ***Dr. M.K.V.Karthikeyan, HoD/Mech, and Mr. A.M.Milan, AP/Mech & Association In-Charge.***

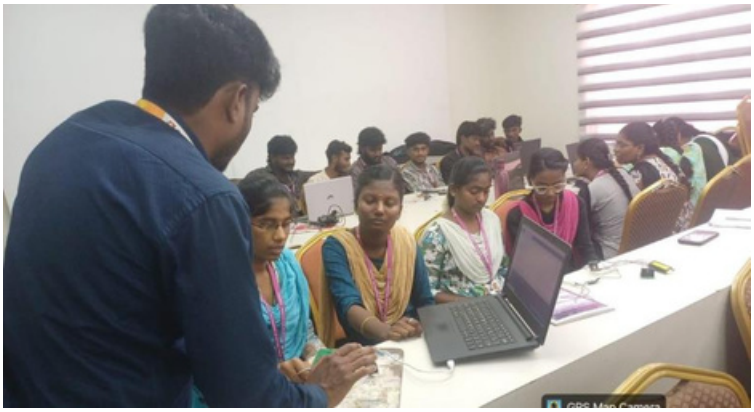

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING AND ELECTRICAL & ELECTRONICS ENGINEERING

Workshop on Embedded Systems and IoT – 27 July – 3 August 2026

The ***Departments of Electronics and Communication Engineering (ECE) and Electrical and Electronics Engineering (EEE)*** jointly organized a ***One-Week Workshop on Embedded Systems and IoT*** from ***27 July to 3 August 2026*** at ML- 3 for III and IV year ECE and EEE students. The workshop was conducted in association with ***Caliber Virtual Technologies*** as the training partner. Expert trainers provided hands-on training in microcontroller programming, sensor interfacing, IoT connectivity, and real-time application development. A total of ***38 students***, comprising 32 ECE and 6 EEE students, actively participated. The workshop enhanced the students' practical, technical, and problem-solving skills and enabled them to develop basic microcontroller- and sensor-based IoT applications. The workshop was co-ordinated by ***Dr. R. Sivaranjani, Principal & Prof/ECE, Mr. A. Shakil Ahmed, AP/ECE & Ms. V.Saranya, AP/EEE.***

CELLS, CLUBS AND INSTITUTIONALACTIVITIES

Faculty Development Cell

Faculty Development Programme
